WORK EXPERIENCE

Web Developer

Bharat Intern

08/2023 - 09/2023

Got a Certification

- During my internship at Bharat Intern, I contributed as a web developer by designing and developing user-friendly web applications.
- Create responsive and visually appealing websites, enhancing user experience.
- I actively collaborated with the design team to implement responsive web designs and integrate them seamlessly into the development process, ensuring consistency in both visual appeal and functionality.

Web Developer

Oasis Infobyte

01/2023 - 02/2023

Got a certification

- At Oasis Infobyte, I gained valuable experience as a web developer during my internship.
- I contributed to the development and maintenance of web applications, working collaboratively to ensure optimal functionality and user experience.
- My proficiency in HTML, CSS, and JavaScript allowed me to create highly interactive and visually engaging web applications, leveraging my strong foundation in these technologies to produce exceptional user experiences.
- I consistently fine-tuned and optimized the front-end codebase using HTML, CSS, and JavaScript, resulting in faster page load times and improved website performance.

PERSONAL PROJECTS

SOCIAL MEDIA WEB APP

- Designed and developed a responsive social media app, focusing on user-centered features, UI/UX, and security.
- Implemented user feedback, and contributed to full-stack development.

MP3 PLAYER (04/2022 - 04/2020)

- Created a feature-rich music app entirely using HTML, CSS, and JavaScript, demonstrating proficiency in front-end development and user-centric design.

YOUTUBE CLONE WEB APP (06/2022 - 08/2022)

- Designed and developed a YouTube clone project, showcasing adeptness in front-end development.
- Implemented key features like video uploads, user profiles, and real-time interaction.

PROMOTE YOUR PRODUCT (11/2023 - Present)

- Collaborated closely with academic supervisors, Asst. Prof. Mr. Rafeeq and Asst. Prof. Md. Rashid, to ensure project alignment with industry standards and academic objectives.
- Contributed to the project's planning, design, and development stages, helping create an innovative, user-friendly platform for businesses to promote their products effectively.
- Currently in the development phase, this project serves as a valuable learning experience, showcasing your commitment to applying classroom knowledge in a real-world context.
